

Teacher's Guide to Money

ISN'T IT TIME FOR A CHANGE?

Participate in a new curriculum that shows teachers how to be masters of their own money. Learn how you can maximize all of your earnings, enjoy life now, and plan for a richer environment. Designed by a veteran teacher and financial strategist, "*The Teacher's Guide to Money*" may answer all of your financial questions and worries during this challenging time. Learn how to strive instead of survive during all the cutbacks! All YOU need is to:

Presented by:

Bring an open mind and a thirst for knowledge.

KATZ

Irving Katz, MBA, MSFS, CHFC, CLU, has been a Financial Strategist for more than 40 years, helps his clients preserve and distribute personal and business assets. Irving is also a QLA (Quadrant Living Architect) specially trained in preserving, protecting, empowering and perpetuating wealth for the benefit of future generations

johnndegree@cox.net

John De Gree, M.A., N.B.C.T. 08 is excited to join Katz Financial CEO, Irving Katz who teaches how to maximize financial lives by finding currently wasted dollars. Clients are helped without taking money from their lifestyles to fund their retirement and pass their Financial Legacy to their heirs. These strategies are unique and must be heard.

Learn more about:

- ⇒ Find out how to dramatically increase your retirement income ***with no major change in your current lifestyle.***
- ⇒ Find out how to lower your tax bill at retirement.
- ⇒ Get the facts on money, taxes and retirement—***before it's too late.***
- ⇒ How to set up a "family bank" which nurtures goals, dreams, and values for your family and future generations—***especially now.***
- ⇒ Learn more about estate planning and probate—what are the benefits for you AND your family.

This unique informative workshop lasts for only a few hours, the knowledge you gain will last a ***lifetime.***

We normally charge \$197, but for special guests receiving this flyer, it is ***FREE.***

There is no obligation.
